KOLLEKTION

It's a good thing that the SCHÖNER WOHNEN-Kollektion has everything you need to give nature a permanent place inside your home. Calm looks such as marble and wood, organic shapes, Mediterranean tones and floral motifs can now take centre stage on the wall. Whether couch surfing under cherry blossoms or dinner under palm trees – the expressive murals give your imagination wings and your rooms personality. For those who prefer a more classic look, the collection offers a striped pattern in its repertoire. The designs skilfully pick up on the colour concept of the plain wallpapers – allowing for easy combining. **A beautiful living environment can be created more quickly than you think!**
